

NO Smoking @ The Entrance

Are you concerned about smokers standing around the entrance of your establishment creating clouds of smoke and an obstruction to potential customers? Do you want customers, guests and residents to be subjected to second hand fumes?

Smokers congregating outside the entrance to your establishment create a noisy, unsightly and unhealthy impression.

The following signs inform the public where they can smoke and help create a welcoming clean air zone, attractive to customers guests and residents.

No Smoking Signs

Size: 150 x 200mm
