- IDEAL FOR:**
- PAPER BAGS
 - BURGER BOXES
 - PIZZA BOXES
 - FOIL TRAYS
 - PLASTIC TRAYS

Help give customers peace of mind that their orders will remain untouched and uncontaminated during delivery

Ideal for any food establishment selling take-away food and drinks for delivery to customers homes

More and more customers are now ordering food online for delivery through companies such as Just Eat, Deliveroo and Uber Eats. Tamper-evident labels help ensure the safety of food packaging during delivery and can provide visible evidence as to whether a deliverer has opened the packaging before reaching the customer. Our labels aim to prevent third parties from compromising your food's integrity and alert the customer to any signs of tampering.
